Subject: Request for Extension on Assignment Submission

Dear Professor,

I hope this email finds you well. I am writing to request a short extension on the submission deadline for Assignment 3, originally scheduled for Monday, March 30. Due to unforeseen medical reasons, I have been unable to complete the final portion of the project to the standard I aim for.

I have completed the primary components of the assignment, and I am confident that I can submit the finalized version by Thursday, April 02.

Thank you for considering my request and for your continued guidance in the course.

Yours sincerely,
